Correction to: decision-making at the limit of viability: differing perceptions and opinions between neonatal physicians and nurses

Hans Ulrich Bucher¹*, Sabine D. Klein¹, Manya J. Hendriks¹,², Ruth Baumann-Hölzle³, Thomas M. Berger⁴, Jürg C. Streuli², Jean-Claude Fauchère¹ and on behalf of the Swiss Neonatal End-of-Life Study Group

Correction
After publication of the original article [1], the corresponding author noticed the given names and family names of the members included in the Swiss Neonatal End-of-Life Study Group were incorrectly reverted. The correct version of the Acknowledgements section has been included in this Correction and includes the correct presentation of names for the members included in the Swiss Neonatal End-of-Life Study Group.
